I'm really glad we found the Corinthian on the internet-we thoroughly enjoyed our time here! The house has been beautifully restored and wonderfully decorated and furnished. We appreciated the help and advice on where to dine and shop. The restaurant was delicious and had a very fun atmosphere. The Corinthian Staff were very kind and went out of their way to make our stay extra special. The bed is so comfortable, it's hard to get up, but be sure not to miss breakfast-it's wonderful! Thank you!
